

OSF HealthCare

(www.osfhealthcare.org)

"In the spirit of Christ and the example of Francis of Assisi, the Mission of OSF HealthCare is to serve persons with the greatest care and love in a community that celebrates the gift of life." We carry out our Mission by providing state-of-the-art, compassionate care to more than 3.7 million people in the communities we serve. OSF HealthCare is a multi-state corporation operating facilities in Illinois and Michigan. Through our affiliated companies, we are nationally recognized as a leading integrated healthcare network of facilities. In 2011 OSF HealthCare was ranked 25th among nearly 600 Integrated Health Care Networks in the U.S. by SDI Health. Our parent company, The Sisters of the Third Order of St. Francis, is a not-for-profit corporation reinvesting our resources into the communities we serve since 1877.

OSF HealthCare, owned and operated by The Sisters of the Third Order of St. Francis, Peoria, Illinois, includes OSF Healthcare System consisting of seven acute care facilities, one long-term care facility and two colleges of nursing. It also has a physician organization, OSF Medical Group. To align more closely our care delivery system with physicians we developed clinical service lines in cardiac services, neurosciences and pediatrics. We employ more than 640 physicians and mid-level providers operating in eight LLC corporations and in more than 90 office sites. OSF HealthCare owns an extensive network of home health services known as OSF Home Care Services and also owns OSF Saint Francis, Inc., comprised of healthcare-related businesses, and OSF Healthcare Foundation, the philanthropic arm for OSF Healthcare System and OSF Home Care Services.

OSF Acute Care Hospitals

OSF Medical Group is also a part of OSF HealthCare and is a comprehensive, integrated network of health care facilities, services, physicians and employees in Illinois and Michigan. OSF Medical Group includes a multi-specialty group of more than 650 member physicians and advanced practitioners in over 90 locations throughout Illinois. This group of collegial and collaborative providers uses a team-based approach to create an integrated system of patient-centered care. In 2011, OSF Medical Group recorded more than 692,900 patient visits.

OSF Saint Francis, Inc. is comprised of healthcare-related businesses providing valuable products and services to areas served by OSF HealthCare and others.

OSF Home Care Services is a division of OSF HealthCare and OSF Saint Francis, Inc. and includes these core services: Hospice, Home Health, Home Medical Equipment, Home Infusion Pharmacy, Physician House Calls, Personal Response System and Diabetes Supply Program. HCS has offices in Galesburg, Peoria, Bloomington and Rockford, Illinois and in Escanaba, Michigan. Its service area includes most of Central and Northern Illinois and the Upper Peninsula of Michigan. Last year, its Home Health services completed more than 168,000 visits and its Hospice services averaged 260 patients per day.

OSF Healthcare Foundation works to provide resources for community outreach and facility programs - a catalyst uniting volunteers, donors, institutions, and community needs throughout our System and beyond.
